# Tips from the Panel

Did you know guests staying at Pixar Place Hotel can utilize a **special entrance to Disney California Adventure park?** It's a quick and convenient walk!

As you check in, don't forget to admire the amazing Pixar concept art in the lobby. I love these **behind-the-scenes peeks** into the creative development of various Pixar films. You can also unwind with a live piano session featuring Joe Gardner from "Soul."

Pixar Place Hotel is the only place at the Disneyland Resort where you can **meet your "friend who likes to play," Bing Bong!** You might find him making core memories in the lobby or up on the rooftop lawn.

Make sure to set aside time to swim in the adorable **Pixel Pool** or plunge down **Crush's Surfin' Slide!** I like planning a relaxing day halfway through our Disneyland Resort vacations where my family can play in the pool and enjoy the hotel amenities.

My family loves to make a reservation at **Great Maple Modern American Eatery.** The Fried Chicken & Doughnuts is big enough to split and a tasty culinary journey. After dinner, **enjoy some shopping at STOR-E next door!**

If you're staying in a Club Level room, you'll have access to **Creators Club**, a special lounge decorated with models and artwork from Pixar-themed attractions at Disney Parks around the world, courtesy of Walt Disney Imagineering. It's the **perfect place to relax and enjoy some light refreshments.**
